

## **Noon Miracle Content Policy**

### **1. Respectful and Inclusive Community**

We are committed to maintaining a community where all individuals feel respected and valued. Content that promotes hatred, discrimination, or harassment against any individual or group based on attributes such as race, ethnicity, nationality, religion, disability, age, sexual orientation, or gender identity is strictly prohibited.

### **2. Originality and Intellectual Property**

Creators must ensure that the content they upload is original or that they have obtained all necessary rights and permissions for any third-party materials included. Unauthorized use of copyrighted material is not allowed and may result in content removal or suspension from the platform.

### **3. Harmful or Dangerous Content**

Content that encourages dangerous activities, self-harm, suicide, or any form of violence is not permitted. This includes pranks or challenges that could lead to physical or emotional harm. Depictions of the aforementioned sensitive topics are permitted if (a) it is absolutely essential to the piece that it be included, (b) it is accompanied by well-indicated trigger warnings to safeguard those who may be distressed by the depiction, and (c) there is a list of support resources for the topic being discussed within the video before the credits AND in the written description of the piece. We prioritize the safety and well-being of our community members and ask that all submissions do the same.

### **4. Sensitive and Explicit Content**

While we celebrate artistic expression, content that is sexually explicit, contains nudity, or is intended to be sexually gratifying is not allowed. Educational or artistic content featuring nudity may be considered if presented in a non-sexual context and complies with applicable laws and regulations.

### **5. Misinformation and Deceptive Practices**

Content that spreads false or misleading information, particularly those that could cause real-world harm, is prohibited. This includes misinformation related to health, safety, investment opportunities, or public affairs. Additionally, content intended to scam, defraud, or deceive others is not allowed.

### **6. Child Safety**

Content involving minors must comply with all applicable laws and regulations. Any content that exploits, endangers, or harms minors in any way is strictly forbidden and will be reported to the appropriate authorities.

### **7. Regulated Goods and Illegal Activities**

Content that promotes or depicts the sale, use, or abuse of regulated or illegal goods and services, such as drugs, firearms, or explosives, is not permitted. We do not allow content that instructs or encourages illegal activities.

## **8. Spam and Deceptive Practices**

We value authentic interactions. Content that is considered spam, misleading, or deceptive, including fake engagements, impersonation, or external links to harmful sites, is strictly prohibited.

## **9. Artistic and Educational Exceptions**

We recognize that certain content may include sensitive topics for educational, documentary, scientific, or artistic purposes. In such cases, sufficient context must be provided to ensure that the content is presented appropriately and does not violate our guidelines.

## **10. Enforcement and Accountability**

Violations of these guidelines may result in actions ranging from content removal to suspension from the platform and a restriction on all future submissions, depending on the severity of the offense. We reserve the right to take appropriate measures to protect the community and uphold these standards.

By adhering to these guidelines, we can cultivate a creative space that inspires and uplifts all members of our community.
